

## Camp and Retreat Center

Dear Applicant,

We are so excited that you are interested in being a part of Watermarks Camp's Servant In Training program. Our SIT program is a one week volunteer experience for **rising 10th - 12th graders**. During this time, students will have the opportunity to learn what it takes to be a servant. Before becoming a camp staff member, one must learn what it looks like to lead by serving. Our goal is that by the end of your week you will have a better understanding of what it is like to be a servant and how you can potentially use that in being a staff member as well as in your life.

Enclosed you will find an application to become a SIT. Fill it out as best as possible and then mail it in. Some of these questions you may find challenging, but do your best to answer them. Upon the completion of your application you can mail it to the following address:

Watermarks Camp  
1145 James River Road  
Scottsville, VA 24590

After receiving your application we will review it and then promptly let you know about our decision. We look forward to what God has in store for you within Watermarks Camp, whether it be this summer or later on in the future!

If you have any questions or concerns about the SIT program, please contact:
